Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 01 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A dry day with sunny spells and the odd shower.

Today:
Early cloud and showers to the south will gradually clear through the morning, leaving a largely dry afternoon with sunny spells across the region. However, the odd shower remains possible. Maximum temperature 21 deg C (70 deg F).

Tonight:
Any remaining showers will clear through the evening, leading to a mostly dry night. Feeling a little cooler than recent nights. Minimum temperature 12 deg C (54 deg F).

Monday:
A sunny and dry start to Monday, becoming cloudier with some scattered showers through the afternoon. These showers gradually clear leading to a dry night across the region. Maximum temperature 19 deg C (66 deg F).

Outlook for Tuesday to Thursday:
Clear and sunny spells with scattered showers breaking out on Tuesday. Cloudier on Wednesday and Thursday with some heavy showery rain, fading by the evening. Winds strengthening.
